VICE PRESIDENT &
EXECUTIVE EDITOR

Mr. Joseph Schneider
2805 North Headley Road
Bloomington, Indiana 47408

Dear Mr. Schneider:

There has been a long pause in our correspondence. However, your letter brought up some questions that I, in most cases, knew only vaguely how to answer, so I showed them to Gerald Posner, and he has written the enclosed memo which I feel free to show to you. At the very least, all of this demonstrates again that a little knowledge is a dangerous thing.

Yours,

Bob Loomis

My exchang with Loomis may be of interest to you. There is evidence of concern.

My reference to Dr. Guinn's testimony appears in HSCOH – vol 1, page 561, line 5 from bottom.

Please note the enclosed card when Never Again will be published, and the publisher
